Fall 2014 Activity Spotlight

Join us for the Unity in the Community Festival taking place from 12-4 p.m. on Saturday, September 20. Celebrating diversity and awareness, the festival has been a fixture at Cecil College since 1996. While the festival will showcase various cultural exhibits, Unity in the Community is not just an educational experience. It will also feature a variety of dancers, singers and performers along with children’s activities and much more.

Keep an eye out for Health Awareness Months. The Student Life Office and the Fitness & Wellness Center will dedicate each month of the school year to focus on various issues including healthy lifestyles, smoking cessation, nutrition, breast and testicular cancer, sexual assault/domestic violence, stress reduction, and mental health. Look for informational displays and activities throughout each month.

Cecil will partner with Bay View Elementary School for a tutoring program. Students are invited to participate in this 10-week after school tutoring program, which begins Tuesday, September 30. For information on how you can volunteer and make a positive impact on children’s lives, please contact studentlife@cecil.edu.
