Adult Education Volunteer Opportunities:

Volunteer for Project Literacy and help an adult gain the joy of reading. Students and tutors meet once or twice a week at a mutually convenient time and location. Attend the next scheduled “Volunteer Tutor Training” on Tuesdays April 13, 20, and 27 from 6:00 to 9:00 p.m. at Elkton Station.

If you are interested in volunteering in a classroom environment, we may be able to use your assistance.

Our grant requires that our volunteers have a Bachelor’s Degree.
