The Cecil College Driver Education Program is implementing a new online scheduling software system. This system will allow you to access your child’s account 24/7 from the convenience of your home. We are very excited about the features of this program.

- See your child’s test scores for each unit
- See your child’s attendance record for classroom and behind the wheel lessons
- Schedule behind the wheel lessons
- Receive email notifications for lesson confirmation/cancellation/changes
- If you ever forget your user name and password you can ask us to resend it to you

If you have a current email address on file with the college you will shortly start receiving email messages from cecilcollege@myeform.com. Once you receive your account activation with your user name and password you can log on and complete your account information with additional info. You can add contact phone numbers, change your address, update your account, check on your child’s progress, and schedule behind the wheel lessons.

How to get to the software:

- Go to http://www.cecil.edu/Continuing-Education/Transportation-Licenses/Driver-Education/Pages/default.aspx and click on the link for Current Student Portal, or
- Go to https://www.myeform3.net/CecilCollege/Student/StudentLogin.aspx

If you ever forget your user name and password you can ask us to resend it to you. If you still need to call us we are in the office from 8 am – 4:30 pm during the week, 410-287-1096 or email us at learning4Life@cecil.edu. Thank you for choosing Cecil College as your child’s provider for Driver Education.

Thank you,

Tina Durborow
