Cecil County Public School Articulations

Cecil College and CCPS have entered into an agreement which will enable students from CCPS to receive college level credit for designated courses taken at the secondary level upon admission to Cecil College.

Student must provide at the time of registration\(^1\) an official high school transcript to the Cecil College Advising Office confirming the student has a 2.5 weighted cumulative high school GPA and 3.0 GPA in each of the specific courses identified in this agreement.
