

Cecil College and Frostburg State University

Associate Degree in Nursing (AS) to Bachelor of Science in Nursing (BSN)

Program Requirements:

- Students must meet application requirements for Cecil College as a degree seeking student during the time they are enrolled in the AS degree portion of the curriculum
- Students must meet the application requirements for Frostburg State University as a degree-seeking student during the entire time they are enrolled in the Associate to Bachelor's option (ATB)
- Students must be dually enrolled at Cecil College and FSU for the time period during which they are earning their AS degree in Nursing.
- Students must meet programmatic progression policy requirements to meet academic rigor throughout matriculation. Procedures regarding disciplinary action and, as warranted, option dismissal, will be established by FSU and Cecil to insure compliance.
- The AS degree will be awarded by Cecil College upon successful completion of the nursing AS degree option requirements.
- Students must pass the NCLEX-RN® examination at the completion of their AS degree, in order to continue to the next level.
- The BSN degree will be awarded by Frostburg State University upon successful completion of the option requirements.
