

Cecil College and Strayer University

Admissions

- SU will accept applications from students who wish to transfer from Cecil into a baccalaureate degree program at SU. These students must meet the same admissions criteria as other students applying for transfer at SU.
- Cecil students, who have completed or will complete an associate's degree by the time they enroll in classes at SU, will be exempted from paying the SU application fee.
- Students transferring from Cecil to specific SY programs must meet the same prerequisites, grade point average (GPA) and other admission criteria, as other native or transfer students applying to SU's programs
- Cecil students who graduate with an associate's degree, have earned at least 24 semester hours of transferable work at Cecil, and have a Cecil GPA of at least 2.0 are guaranteed admission to SU.
- Once admitted, students are subject to all other policies and procedures, including residency requirement of SY, as outlined in the SU catalog.

Acceptance and Application of Credits

- SU will transfer in, in its entirety, the associate's degree program for students enrolling in a related degree program at SU.
- General Education/Integrative Studies – students completing an AA or AS at Cecil will be considered to have met all lower division general education requirements at Strayer University.
- Where course equivalencies exist for required courses and/or prerequisites, these courses will apply to SU's graduation requirements in the student's stated major field of study. For courses taught at the 300 or 400 level at SU, students may be required to take alternative courses to earn upper division credit.
- "D" grades will be accepted. However, SU will accept only courses in which a grade of "C" or better is earned by students who have not completed the requirements for the associate degree at CCC.
- SU will evaluate courses/credits earned through Advanced Placement (AP), College-Level Examination Program (CLEP), or other testing programs. SU also will evaluate courses/credits earned at other institutions. Students seeking credit for these courses must provide the university with official transcripts for evaluation. SU will evaluate Prior Learning Activity for Credit Evaluation and other life experiences for possible credit. Students should present documentation to a SU Campus Dean for assessment for credit.
- SU will maintain course equivalency information and make this information readily available to CC if requested.
