	Total WilmU Credits	63	

Important Notes

1. WilmU has a credit residency policy of 30 credits. Therefore, additional credits beyond the associate degree requirements can be completed at Cecil College. However, certificate and Dual Credit Advantage options are available at Wilmington University for students with elective space. Students should discuss their options with an advisor.
2. These courses require pre-service teachers to enter the field for clinical coursework. The Office of Clinical Studies coordinates all fieldwork or clinical placements. Candidates are not allowed to make or coordinate their own placements by contacting districts, school principals, or teachers. Candidates wishing to register for a Practicum course in the Fall (September) MUST complete the Practicum Placement Application in TaskStream by February 1st. Candidates wishing to register for a Practicum course in Spring (January), MUST complete the Practicum Placement Application in TaskStream by August 1st.
3. Dual Credit Advantage options allow students to enroll in some graduate coursework that can count toward both the undergraduate and graduate degree. Students must meet the appropriate GPA and other pre-requirements and should discuss the option with an advisor prior to enrolling.
