CECIL COLLEGE
Career & Community Education
SPRING 2022
Own Your Future
Welcome to Career and Community Education

Whether you’re looking to reinvent yourself or to just have fun, the continuing education programs at Cecil College will help you shape your future and change your life. At Cecil, you can learn it today, and live it tomorrow!

Workforce Training
Career and Community Education offers a full range of programs to help you start a new career, advance your career, or own your own business.

Transportation Training
Earn a commercial driver’s license, obtain a Maryland state driver’s license, or just improve your existing driving skills with our transportation training classes.

Adult Education
We can help you obtain your GED or gain skills to get the job you want. We also offer ESOL classes for students who are learning English as a second language.

Lifelong Learning
It’s time to look into something fun and educational for you. Our classes are designed for adults of every age and interest.

Youth & Homeschool
We have something for every child, year-round.

Explore the Possibilities
We want you to find yourself at Cecil College, where you have endless possibilities for enriching your life and those of your loved ones. No matter your age or interest, explore all that we have to offer.

Course Delivery Formats
Career and Community Education is offering a variety of course delivery types allowing scheduling flexibility.

In-person - Classes that meet on campus or at locations throughout the community.

Hybrid (hyb) - Classes that meet in-person periodically with some coursework offered online.

Online/Asynchronous (Online-A) - Online classes with little or no designated meeting days/times, allowing you to study at your convenience.

Online/Synchronous (Online-S) - Online classes that meet virtually with your instructor and classmates on a regularly occurring day/time, allowing for a highly engaging, interactive experience.

Please see page 38 for a list of location codes for in-person and hybrid classes.

It is the policy of Cecil College to not discriminate against any individual by reason of race, color, sex, marital status, citizenship, national or ethnic origin, age, religion, sexual orientation, or disability. Please refer to the College catalog for the complete and detailed Nondiscrimination Statement.

Due to COVID-19, all information regarding Spring 2022 offerings is subject to change. Please visit cecil.edu/coronavirus for the latest College updates.

Please read the Return to Campus Plan at www.cecil.edu/coronavirus for safety guidelines for all in-person classes.

Cecil College is a member of the State of Maryland’s College Collaboration for Student Veterans. Every effort is made to ensure the educational success of our returning Veterans, including their recruitment, successful transition to higher education, retention and eventual completion.

A resource center is available through the financial aid office and provides student veteran information related to college and VA resources.

For more information, call 410-287-1003.
Cecil College offers programs to prepare you for the following certifications:

- Certified Medical Administrative Assistant (NHA)
- Certified Medical Assistant (AAMA)
- Certified Medicine Aide
- Certified Nursing Assistant (MBON)
- Certified Phlebotomy Technician (NHA)
- Certified Professional Coder (AAPC)
- Nationally Registered Paramedic (NREMT)

Program Requirements

- High School Diploma/GED
- Minimum 18 years of age
- Health profile (proof of current immunizations, medical insurance, and Physician’s clearance)
- Completion of a background check and drug screen through an approved vendor
- American Heart Association BLS Provider certification (CPR/AED)

Medical assistants work alongside physicians, mainly in outpatient care facilities, such as medical offices and clinics. Medical assistants are cross-trained to perform administrative and clinical duties.

Employment of medical assistants is projected to grow much faster than the average for all occupations, according to the United States Bureau of Labor Statistics.*

Cecil College’s program prepares you for national certification.

- Certified Medical Assistant (AAMA)

Medical coders are healthcare professionals in charge of processing patient treatment records and related insurance information into a code used within the healthcare industry.

Medical billing and coding professionals work in a wide variety of settings, including:
- Physicians' offices
- Hospitals
- Medical billing services
- Ambulatory centers
- Insurance companies

Cecil College’s program prepares you for national certification.
- Certified Professional Coder (AAPC)

MEDICAL ADMINISTRATIVE ASSISTANT

Medical administrative assistants perform administrative functions for a hospital, clinic, or medical office through their knowledge of medical terminology and applications.

With a relatively short educational path, this is an ideal position for those looking to get their foot in the door of the healthcare field.

Cecil College’s program prepares you for national certification.
- Certified Medical Administrative Assistant (NHA)

PARAMEDIC

Cecil College and the Department of Emergency Services of Cecil County Government have a partnership that supports the community’s needs for EMS personnel while providing the college accredited education that the student demands.

The Paramedic program contains 720 contact hours of theoretical and clinical instruction and will train you to be the highest level of EMS professional (National Registered Paramedic). This certification will make you marketable across the nation as well as in the State of Maryland, and best of all, it is offered at nearly no cost to you.

Cecil College’s program prepares you for national certification.
- Nationally Registered Paramedic (NREMT)

PROGRAM SPECIFIC REQUIREMENTS
- Maryland (or National) EMT certification
- Affiliated with a Maryland ALS Company, member in good standing
- Entry examination (Approximate cost $20)
- Successful completion of Anatomy and Physiology I & II offered online through Cecil College.

PROGRAM INFORMATION
Classes Start August 2022
Please refer to the Cecil College website at www.cecil.edu/hcc for course description and pricing.

For more information or to apply, contact: Robert Muller, BS, NRP, MICRB-E, Interim Paramedic Director at rmuller11@cecil.edu or 443-309-0562.
Nursing Assistant
Geriatric Nursing Assistant (NA/GNA)

Nursing assistants/GNA are the foundation of in-patient care. In hospitals or long-term care facilities, nursing assistants are on the front line of caring for patients’ daily needs.

Upon successful completion, students will be eligible to apply to the Maryland Board of Nursing (MBON) for CNA licensure and sit for the Geriatric Nursing Assistant (GNA) exam.

PROGRAM COURSES
• Nursing Assistant Theory - HHL 129
• Nursing Assistant Clinical - HHL 131

Phlebotomists are primarily responsible and accountable for the collection of blood specimens from patients for the purpose of laboratory analysis. After completing the coursework, students will develop their skills in the required daytime clinical experience to accumulate 100 clinical hours and 200 sticks minimum.

Upon successful completion of the entire 220-hour program, students will receive a certificate of completion and will sit for the National Healthcareer Association’s (NHA) certifying exam to become a Certified Phlebotomy Technician (CPT).

PROGRAM COURSES
• Computer Essentials - HCG 200
• Professionalism in Healthcare - HCG 211
• Prephlebotomy: Prep for Certification - HHL 201
• Phlebotomy: Clinical - HHL 102

Phlebotomist is an evening program.
Clinical externships are held Monday - Friday during daytime hours.

CONSTRUCTION, HVAC/R, WELDING

Cecil College has partnered with the National Center for Construction Education & Research (NCCER) to offer standardized construction and maintenance curriculum and assessments with portable credentials in construction, HVAC/R, and welding.

HVAC/R

NCCER HVAC/R – Level I
The HVAC/R program will provide the basic knowledge and skills to become a qualified, entry-level employee in the HVAC industry. Upon successful completion of the program, students will earn Certificate of Completion for NCCER HVAC – Level 1, NCCER wallet card, and their credentials entered in the NCCER Registry. Students will also have the opportunity to take the EPA608 Certification exam at the end of the program. Students must meet with a Program Specialist to enroll in this program.

NCCER HVAC/R – Module II
Pre-requisites: NCCER Basic Construction, NCCER HVAC I.
10 sessions, 30 hours, $499
Course #: WVR 162
Sec# Day Dates Times Location
01* M/W 1/3-2/7 6-9p CCST

NCCER HVAC/R – Module III
Pre-requisites: NCCER Basic Construction, NCCER HVAC I, NCCER HVAC II.
10 sessions, 30 hours, $499
Course #: WVR 162
Sec# Day Dates Times Location
01* M/W 2/9-3/16 6-9p CCST
*01 – No class 2/21

NCCER HVAC/R – Module IV
Pre-requisites: NCCER Basic Construction, NCCER HVAC I, NCCER HVAC II, NCCER HVAC III.
10 sessions, 30 hours, $499
Course #: WVR 163
Sec# Day Dates Times Location
01* M/W 3/21-4/25 6-9p CCST
*01 – No class 4/18.

WELDING

NCCER Welding – Level I
The welding program will provide the basic knowledge and skills to become an entry-level welder. Upon successful completion of the program, students will earn Certificate of Completion for NCCER Welding – Level 1, NCCER wallet card, and their credentials entered in the NCCER Registry. Students must meet with a Program Specialist to enroll in this course.

Note: Students must provide welding helmet (shade 10), jacket, gloves, and glasses.

NCCER Welding - Module V
Pre-requisites: NCCER Basic Construction, NCCER Welding Level 1 – Modules I, II, III, IV.
10 sessions, 40 hours, $1,069
Course #: WVW 263
Sec# Day Dates Times Location
01* M/T/W 1/11-2/2 5-9p CCST
*01 – No class 1/17.

Contact Amanda at 443-907-1379 or skills4u@cecil.edu for more information.

NCCER HVAC/R Module I

NCCER HVAC/R Module I begins in Fall 2022.

NCCER Welding Modules I-IV

NCCER Welding Modules I-IV begin in Fall 2022.
Shielded Metal ARC Welding I
This course is designed to meet the needs of the beginner student in welding. Learn how to select the correct electrodes, set-up the equipment, and strike an arc on a variety of base metals. Notes: Students must provide welding helmet (shade 10), jacket, gloves, and glasses. Textbook required. Instructor: Racine
6 sessions, 24 hours, $499
Course #: WVW 225
Sec# Day Dates Times Location
01 T/Th 2/8-2/24 5-9p CCST

Shielded Metal ARC Welding II
This advanced course builds on the skills acquired in SMAW I. Pre-requisite: Shielded Metal ARC Welding I. Notes: Students must provide welding helmet (shade 10), jacket, gloves, and glasses. Textbook required. Instructor: Racine
6 sessions, 24 hours, $499
Course #: WVW 226
Sec# Day Dates Times Location
01 T/Th 3/1-3/17 5-9p CCST

MIG & TIG Welding
MIG and TIG are two of the most popular welding techniques used in the industry. MIG is used primarily in the welding of sheet metal while TIG is used for aluminum. Hands-on practice in both processes will be provided. Transcript available. Notes: Students must provide welding helmet (shade 10), jacket, gloves, and glasses. Textbook required. Instructor: Racine
7 sessions, 28 hours, $580
Course #: WVW 215
Sec# Day Dates Times Location
01 T/Th 3/29-4/19 5-9p CCST

Register early: seating is limited!
Contact Amanda at 443-907-1379 or skills4u@cecil.edu for more information.

HVAC/R APPRENTICESHIP

EARN while you LEARN
and prepare yourself for a career in the HVAC/R trade!

Cecil College and Heating and Air Conditioning Contractors of Maryland offer a Maryland state-approved four-year HVAC/R Apprenticeship program. Upon successful completion of this four-year program, students will be able to earn their HVAC/R journey-person license from the Maryland Department of Labor, Licensing and Regulation without taking the exam.

HVAC/R Apprenticeship – Year One
The first year of the HVAC/R Apprenticeship program combines both classroom instruction and on-the-job training.

HVAC/R Apprenticeship – Year Two
Year Two topics include: fundamentals of brazing and soldering, electric motors, wiring and testing, HVAC controls, advanced refrigeration and pipe fitting, and communication skills. Note: Student must have already taken Year One of the program or tested out of Year One if they have prior experience or education in the HVAC/R field.

Classes take place at the Cecil County School of Technology.

Complete an application today through the Heating and Air Conditioning Contractors of Maryland at haccmd.org.

Students must also provide the following:
• Copy of the applicant's Maryland State HVAC/R license
• Doctor’s letter showing the applicant is physically able to work in the HVAC/R industry
• Copy of applicant’s high school diploma or transcript of last grade completed
• Copy of applicant’s Driver’s License
• Written recommendation letters from three (3) acquaintances
• State Apprentice Agreement

For more information about the apprenticeship program, please contact Amanda at skills4u@cecil.edu or 443-907-1379.

HEAVY EQUIPMENT OPERATIONS

In Heavy Equipment Operations, students will learn safety, identification, and basic operational techniques of heavy equipment such as dozers, loaders, scrapers and graders. Students will be taught the skills and gain the knowledge required to understand the conditions and markings of the job site, and the responsibilities of the heavy equipment operator. They will also be taught how to calculate the areas, volumes, cut, and fill requirements for a job, along with interpreting roadway and construction site drawings.

Classes include:
• Introduction to Heavy Equipment Operations
• Heavy Equipment Operator – Site Work and Grading
• Heavy Equipment Operator – Enhanced Site Work & Soils
• Excavation Math & Interpreting Civil Drawings

CLASSES BEGINNING IN JANUARY

Intro to Heavy Equipment Operations
12 sessions, 48 hours, $860
Course #: WTC 151
Sec# Day Dates Times Location
01 T/Th 1/18-2/24 5:30-9:45p HCC

Heavy Equipment Operations – Site Work and Grading
11 sessions, 44 hours, $850
Course #: WTC 155
Sec# Day Dates Times Location
01 T/Th 3/1-4/12 5:30-9:45p HCC

For more information or to register, please contact Amanda at skills4u@cecil.edu or 443-907-1379.
AUTOMOTIVE REPAIR

Learn how to fix the cars you love to drive – and get on the path to a successful career!

Automotive training at Cecil College lets you learn from ASE-Certified instructors with years of professional experience.

The Automotive program includes 5 classes taken in any order, take one or all five!

- Engine Repair ASE A1
- Engine Performance ASE A8
- Brake Systems ASE A5
- Electrical Systems ASE A6
- Suspension and Steering ASE A4

Hours & Costs
This 150 hour program will cost approximately $2,800 if all 5 classes are taken (excluding textbooks). Textbook required for each class.

CLASSES BEGINNING IN JANUARY

Automotive Brake Systems
10 sessions, 30 hours, $560
Course #: WVA 136
Sec# Day Dates Times Location
01 M/W 1/10-2/14 6-9p CCST

Automotive Electrical Systems
10 sessions, 30 hours, $560
Course #: WVA 130
Sec# Day Dates Times Location
01 M/W 2/23-3/28 6-9p CCST

Automotive Suspension and Steering
10 sessions, 30 hours, $560
Course #: WVA 133
Sec# Day Dates Times Location
01 M/W 4/4-5/9 6-9p CCST

DIESEL TECHNOLOGY

Cecil College’s Diesel Technology program prepares students to inspect, repair and service diesel engines. This is a 9 month, 150 hour program consisting of 5 modules. Students will be introduced to diesel engine maintenance and troubleshooting, tools, diesel systems, pumps, engine reassembly and installation, and more. Upon completion, students will be prepared to take the following ASE Medium-Heavy Truck Certification Tests: T2—Diesel Engines, T6—Electrical/Electronic Systems, and T8—Preventive Maintenance Inspection.

CLASSES BEGINNING IN JANUARY

Diesel Technology - Module III
10 sessions, 30 hours, $599
Course #: WVA 152
Sec# Day Dates Times Location
01 T/Th 1/4-2/3 6-9p CCST

Diesel Technology - Module IV
10 sessions, 30 hours, $599
Course #: WVA 153
Sec# Day Dates Times Location
01 T/Th 2/8-3/10 6-9p CCST

Diesel Technology - Module V
10 sessions, 30 hours, $599
Course #: WVA 154
Sec# Day Dates Times Location
01 T/Th 3/15-4/14 6-9p CCST

Diesel Technology Modules I and II begin in September 2022.

Please read the Return to Campus Plan at www.cecil.edu/coronavirus for safety guidelines for all in-person classes.

WORKFORCE TRAINING

The business world is an innovative, dynamic arena where the most current and relevant skills are highly valued. Cecil College can help strengthen your knowledge or broaden your skillset in a variety of areas in order to enhance your resume, improve your job performance or better position you for a career promotion. The College offers a wide variety of in-demand programming designed to create and reinforce business acumen. Expand your possibilities this year by exploring all that is on offer through our Business Career Training programs!

ENHANCE YOUR CAREER

• Develop and advance your leadership skills
• Increase your professional network
• Meet key thought leaders in Cecil County and learn their management styles
• Engage in Corporate Social Responsibility by planning and executing a community service project

Our Program
Weekly presentations by local leaders providing an in-depth look at the inner workings of their organization. Sessions are diverse, exciting and informative

For more information, visit cecil.edu/CLI, or contact lraphael@cecil.edu or 443-907-1376.

Leadercast 2022
Join us for this leadership event. By attending Leadercast, you will have the opportunity to be empowered by world-class speakers who show you how to become a more effective leader, surround yourself with other leaders who share your passion for learning and leading, and get useful takeaways to drive your team to new levels of achievement.

Contact Amanda at 443-907-1379 or skills4u@cecil.edu for more information.

ENVIRONMENTAL, HEALTH, AND SAFETY TRAINING

Water Storage, Distribution, and Pumps
This course is designed to teach operators the practical aspects of operating and maintaining water distribution systems, while emphasizing safe practices and procedures. Topics will include pumping, storage, valves, and distribution operations and maintenance and the principle role of each component in the distribution network.
1 session, 7 hours, $129
Course #: WET 139

### Online Driver Improvement Program

This online course is available for students 18 years or older. The student may complete the course online and come into Elkton Station to complete the final exam.

1 session, $75
Course #: TOT 104

For more information, email drive@cecil.edu or call 410-287-1096.

Please read the Return to Campus Plan at www.cecil.edu/coronavirus for safety guidelines for all in-person classes.
GED® & ACADEMIC PREPARATION

Academic Prep helps you:
• Prepare for the GED® and take the GED Ready® Examination
• Improve your reading skills
• Brush up on basic math
• Strengthen writing skills for education or employment
• Enhance your job skills
• Prepare a resume
• Gain computer skills
• Prepare for credit courses

Programs Offered
• ABE – Adult Basic Education
• GED® – General Education Development
• ESOL – English for Speakers of Other Languages
• Transition to Credit
• Project Literacy

Class & Program Information
• Books and materials are provided to use in the classroom
• Classes are self-paced and convenient
• Instructors work closely with students
• Online instruction available

Class Times and Locations
You will have options based on your assessment level and classroom space availability.
You must be 18 years of age or older and officially withdrawn from school to enroll.
• Morning and evening ABE and GED® classes at Elkton Station
• Morning and evening ABE/GED® classes at Family Education Center
• Evening ABE/GED® classes in the community at North East Middle School, Perryville Middle School and Rising Sun Middle School.

Winter: January 18 - March 24 • Spring: April 5 - June 9

Online Courses
If you are a self-motivated, independent learner with access to the internet, you may be eligible for an online class.

If you have questions or you want to enroll in one of our classes, please contact Carolyn Fletcher at 443-907-1391.

The Adult Education Program is supported by grant funding from Maryland Department of Labor, Division of Workforce Development and Adult Learning and the U.S. Department of Education.

GED® & ACADEMIC PREPARATION

GED Ready® Examination
The GED Ready® test is given by appointment. You must pre-register by calling Carolyn Fletcher at 443-907-1391. The cost is $5.00 per subject or $20.00 for the entire test. Results are immediate and you will get feedback on what you need to study to prepare for the actual GED®.

GED State Examination
The GED® State examination will be given on computer at Cecil College’s Pearson-Vue testing center at North East Campus for a fee of $11.25 per test. To find out how to schedule testing, please contact Carolyn Fletcher at 443-907-1391 or Debra Stevens at 443-907-1397. Information is also available online at www.dllr.maryland.gov/gedmd or www.GED.com.

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)
ESOL classes focus on improving the speaking, reading, and writing skills of students who are learning English as a second language. Basic classes are grant funded, multi-level classes covering all aspects of English skills. Advanced courses address specific skills and are designed for foreign students who assess at high intermediate or advanced level.

BASIC
Morning classes meet on Mondays and Wednesdays from 9:00 – 11:30 a.m.; evening classes meet on Mondays and Wednesdays from 7:00 – 9:00 p.m. at Elkton station, Room 329.

Morning
• Winter Morning: January 24 - March 30
• Spring Morning: April 11 - June 20

Evening
• Fall Evening: January 10 - March 30
• Spring Evening: April 11 - June 29

Cost: $20.00 course fee for beginning and intermediate students; $30.00 tuition and $20.00 course fee for advanced level students. Level is determined by interview and/or placement.

ADVANCED
English for Better Communication
This course is designed for students who can speak and understand English but who want to improve their skills. This course is also recommended for ESOL students who plan to take credit or non-credit courses. Textbook required.

Genealogy on the PC
This Course is designed to provide beginners instruction and interpretation of the genealogy research process. Topics include starting the search process, identifying photographs and documents, searching census, immigration, naturalization, vital and military records, and how to evaluate results. Instructor: Dixon 3 sessions, 9 hours $49 persons under 60. $25 MD residents over 60 (GZH115). $5 Senior Network Members (SZH115).

Life in the Past Lane: Country Roads
With the arrival of modern, high-speed highways, many of Cecil County's scenic routes and the small hamlets and villages clustered around those old corridors are overlooked. Explore the character, ambiance, and history of some of the lesser-traveled roads. Note: field trip may be included. Instructor: Dixon 2 sessions, 6 hours $49 persons under 60. $25 MD residents over 60 (GZH622). $5 Senior Network Members (SZH622).

History of German Culture
Dive into the German culture and learn the history, culture, people, food and drink, geography, climate, and language. The course will be conducted in English and is not a German language course. Instructor: Lenhoff 5 sessions, 10 hours $69 persons under 60. $25 MD residents over 60 (GZH443). $5 Senior Network Members (SZH443).

History of Russian Culture
An introductory Russian appreciation course designed to give insight into Russia's culture, heritage, and history. Explore the art, geography, history, literature, music, food, and language of Russia. Instructor: Sheriff 6 sessions, 12 hours $69 persons under 60. $25 MD residents over 60 (GZH543). $5 Senior Network Members (SZH543).

Introduction to Art History
This course is a chronological study of art and architecture from the Renaissance to the 20th century. A series of lectures and interactive discussions will explore how artists and art historians have used art to examine and critique society. Students will develop a broad knowledge of western artistic traditions since the 15th century. Instructor: Bilas 8 sessions, 16 hours $109 persons under 60. $25 MD residents over 60 (GZH622). $5 Senior Network Members (SZH622).

Castle of Germany
Did Walt Disney really model the Cinderella Castle after King Ludwig II's Neuschwanstein Castle? Study a select group of Germany's most extraordinary castles - their architecture, owners, and special features. Take a step back in time and learn of these beautiful, fairy-tale structures! Instructor: Lenhoff 3 sessions, 9 hours $49 persons under 60. $25 MD residents over 60 (GZH115). $5 Senior Network Members (SZH115).

The Age of Renaissance
Following the fall of Rome and subsequent languishing of the dark ages, a cultural awakening occurred in the 14th century city-states of the Italian peninsula. The renaissance set in motion dramatic change. The arts flourished while merchants and bankers became leading citizens. Florence and Venice became extremely wealthy. Join us as we explore the renaissance. Instructor: Lenhoff 9 sessions, 18 hours $115 persons under 60. $25 MD residents over 60 (GZH419). $5 Senior Network Members (SZH419).

Native Peoples of the Delmarva – Let them have Justice
Gain a familiarity of the origins and history of the Native American peoples of the upper Delmarva Peninsula from prior to contact with European explorers to the modern day. Explore Native peoples' lives, culture, and land occupation in the upper Delmarva peninsula. Note: No senior tuition waiver. Instructor: Mease 3 sessions, 4.5 hours, $25

Course #: GZH198

Tale of Three Towns: Havre de Grace, Perryville, and Port Deposit
Examine the development of three towns from the Revolutionary Period to the present. How did the settlements originally occur? What societal changes can be traced? What does present day development look like? Note: A field trip may be included. Instructor: Dixon 3 sessions, 6 hours $49 persons under 60. $25 MD residents over 60 (GZH229). $5 Senior Network Members (SZH229).

The Book of Genesis – Part I
Study some of the highlights of the book of Genesis from a Messianic Jewish perspective. This study looks at creation, Adam and Eve, the beginning of languages. Instructor: Mehosky 6 sessions, 12 hours $59 persons under 60. $25 MD residents over 60 (GZH395). $5 Senior Network Members (SZH395).

Course #: GZH199

Places Everyone: Happily Ever Before

The fairytale villains have had enough! For too long the Evil Queen, Wicked Stepmother, and Dark Fairy have been pushed into the shadows while princesses like Snow White, Cinderella, and Briar Rose get their happily-ever-afters. So, the scoundrels set out to change things. With the help of the sinister Rumpelstiltskin, the mischief-makers use their magic to travel back in time, planning to change the destinies of each of their princesses and send them down a new path that doesn't end so happily. But as the villains set their plan in motion, a classic cast of fairytale extras — including the Big Bad Wolf, Hansel and Gretel, Goldilocks, and Robin Hood — unwittingly change the princesses’ stories and the course of the villains’ plans. Notes: Ages 7-17. Performance dates are TBD. Please sign up by start date – character roles are determined on the first night of class. Email Kelsy Bostic kbostic@cecil.edu for more information. Instructor: Bostic
26 sessions, 78 hours, $239

CREATIVE ARTS

Growing Herbs for a Patio or Garden
Growing an herb garden is a rewarding and efficient way to grow fresh herbs. Choose herbs that you often use in cooking, or those that are hard to find in stores. Learn how to plant a container garden for your patio. Consider growing herbs to help keep bugs and pests away. Select herbs which are good companion plants with your vegetable garden. Discover how to choose the right herbal plants to create your special garden or enhance your patio area. Notes: Several plants are provided for the students. Ages 7-15. Corresponds to personal enrichment course GGS239. Instructor: Stubbs
1 session, 2 hours, $29
Course #: YHS659
Sec# Day Dates Times Location
01 S 4/9 10a-12p SSHF

Mother’s Day Wreath
Create lasting memories by crafting a colorful masterpiece using wild & silk flowers. Treat mom to a day out or make a great gift for yourself. Notes: Ages 7-15. Also offered as personal enrichment course GAC118. Instructor: Stubbs
1 session, 2 hours, $29

To register, call 410-287-1078 today!
PLEASE NOTE:
All tuition and fees are paid at the time of registration.
Questions?
Please contact us at 410-287-1078.

Every effort is made to honor the schedule herein; however, circumstances may require the alteration or cancellation of courses, seminars, or programs. Cecil College reserves the right to modify the schedule as is deemed necessary with regard to courses offered, instructor assignments, location, tuition, course and materials fees.

Forms of Payment
Payments for registration may be made by cash, check, or money order (payable to Cecil College), VISA, MasterCard, or Discover (account number and expiration date). Post-dated checks are not accepted. If your check is returned from the bank, the College will not re-deposit your check and a $36 fee will be added to your account. A $36 fee will be added to your account if your credit card is denied or invalid. Payments for returned checks and fees must be submitted only in the form of cash, money order, or cashier’s check. Stop payment on a check does not officially withdraw you from a class.

Registration Confirmation
We do not process registration confirmations. Please attend class on the date and time indicated in this course schedule unless you are otherwise notified.

Refund/Drop Policy
To receive a full refund for dropping a course, you must contact the Registration Office at least 24 hours prior to the first class meeting. If you do not officially drop from a class or if you fail to attend, you are responsible for all tuition and fees associated with the registration.

Cancellation Policy
Cecil College reserves the right to cancel classes when there is insufficient enrollment. When classes are canceled, every effort will be made to contact you and 100% of your tuition and fees will be refunded by mail. The refund will take at least two (2) weeks to be processed. Decisions regarding class cancellations will be based on the number of registrations, so please register early!

Please visit www.cecil.edu/coronavirus for the latest information and resources.

Textbooks
Textbooks for courses are available at the Cecil College Bookstore located in the Technology Center on the North East campus. You may purchase textbooks at the Cecil College Bookstore or another bookstore of your choice. If the course description notes “Textbook required,” check with the Bookstore (410-287-4740) for the name of the textbook. Textbooks will not be available from the instructor on the first night of class nor can they be purchased at Elkton Station. It will be your responsibility to purchase your textbook prior to the course to be ready for a successful learning experience.

Cecil College Bookstore Textbook Return Policy
1. No refunds will be given without a receipt.
2. Books must be absolutely free of all markings, either pencil or ink and in original packaging. Do not mark in or open your book until you are sure that it is the correct book for your course and you know that the class will be running.
3. Defective books will be replaced at no charge.
4. Textbooks for non-credit courses may be returned up to one week from the start date of the individual course.

Senior Network
Ages 60+ can enjoy $5 course fees for all Senior Network classes at Cecil College by joining the network. Membership fees* are based on your place of residence:

Course Delivery Formats
Career and Community Education is offering a variety of course delivery types allowing scheduling flexibility.

In-person - Classes that meet on campus or at locations throughout the community.

Hybrid (hyb) - Classes that meet in-person periodically with some coursework offered online.

Online/Asynchronous (Online-A) - Online classes with little or no designated meeting days/times, allowing you to study at your convenience.

Online/Synchronous (Online-S) - Online classes that meet virtually with your instructor and classmates on a regularly occurring day/time, allowing for a highly engaging, interactive experience.
