

WELCOME TO CECIL FEST AT CECIL COLLEGE!

We open our campus in celebration of 50 years of educating individuals and transforming the lives of many. Cecil Fest will showcase what the College offers to the community and region. Explore a program of interest or just sit in a few classes and experience the life of a student. Enroll in a course, tour the Milburn Stone Theatre and our athletic facilities, listen to student and faculty music performances, or just come out and enjoy the college campus. Cecil Fest is the happening place to be!
