Quick Facts

Early College Academy Description

The Early College Academy, located at Cecil College, enrolls students beginning in grade 9. Successful students will complete high school with a high school diploma (or its equivalent) and an associate degree from Cecil College. Each year up to 25 students are selected for admission to the Academy. Prior to their freshman year, Academy students will participate in an orientation program to introduce them to academic expectations and resources available to them during their four years in the Academy. Throughout their enrollment, students are supported by tutors and advisors from Cecil College. While taking classes, students are guided through seminars and individualized advising to help them build the academic skills needed to succeed in high school and college coursework.

Admission Process

Each student entering the Early College Academy must complete the admissions process. By July 15th, eighth grade students must complete and submit application materials to the Director of Early College. Application materials are reviewed and evaluated by administrators from Cecil College. Students are contacted by the Director of Early College to confirm their admission to the Academy.

- A transcript (or its equivalent) with a minimum GPA of 3.0
- Parent and child acknowledgement of expectations
- College bound scholarship eligibility form

Support Services

Academic support is provided throughout each year of enrollment. Students have access to tutoring, library resources, a reading and writing center, and computer labs. Academy students are guided through their coursework with the support of an academic advisor. The advisor will also coordinate the academic seminars each year of the program. A sampling of the seminars is as follows:

- Test Taking Techniques
- Time Management
- Study Skills & Strategies
- Math Building Skills
- Critical Thinking Skills
**Parental Services**

Services are also provided for parents and guardians of students. Parents are granted full access to student records and meet with the ECA advisor to discuss academic progress and future plans.

If you are accepted into the ECA, you agree to accept and follow the expectations below:

- ECA is an academically rigorous program and requires dedication by students both in class and out of class.
- Students are expected to demonstrate maturity, self-discipline, and persistence necessary to handle the responsibility of taking college courses.
- Students should take responsibility for their own learning, behavior, and success.
- Students will be required to complete several projects that help apply classroom concepts to real-world situations.
- Students are expected to maintain at least a 2.5 grade point average, maintain good attendance, and appropriate behavior in high school and college courses. Students who fall below the minimum GPA requirement may be asked to leave the program.
- Students are expected to be familiar with the Cecil College policies and adhere to the policies therein.

Parent/Guardian Expectations
If your child is accepted into the ECA, you agree to accept and follow the expectations below:

- ECA is a four-year program and requires a long-term commitment from the student and parent.
- Parents will ensure that their student has good attendance, arrives to school on time, and makes a conscious effort to reduce vacations taken during the college semester.
- Parents understand that Cecil College is a public, higher education institution and courses may at times deal with adult subject matter. There will be no modification of course content or prerequisites for underage students.
- Parents understand that academic freedom prevails in the classroom and that the student will be held to standards established by the faculty member and stated in the course syllabus.
- Parents will make every effort to attend any parent meetings and/or conferences arranged by ECA staff.
- Parents understand that their student may have two or more hours of homework at night.
- Parents/Guardians are responsible for informing Cecil College of necessary health information that could impact their child’s in-class participation and ability to navigate the learning community at Cecil College.
- All students are held to the same academic and behavioral standards. Parents are expected to be familiar with Cecil College’s policies and adhere to the policies therein.
- Parents understand that if their student does not maintain a minimum of a 2.5 grade point average, good attendance, and appropriate behavior in college courses, he or she may be asked to leave the program.
- Parents are expected to drop off and pick-up their student directly before and after the college class times. Students are not to be left on campus, unsupervised at any time. We further understand that, the College does not act “in loco parentis” while the student is on campus.
- Parents further understand that they will be available to the student while he/she is on campus, yet will not be allowed to sit in or observe those classes.
- Parents are expected to work directly with a Supervising Entity to guide the student’s high school curriculum.
