Planned Parenthood of Delaware
Type of Resource: Sexual Health/Hormone Therapy
Gender Affirming Hormone Therapy (GAHT) program and other sexual and reproductive health services.
We are proud to offer GAHT for transgender and non-binary patients age 18 and older at all our health centers. We offer GAHT to patients with existing prescriptions as well as those beginning GAHT. Planned Parenthood of Delaware uses an informed consent model. Patients do not need to provide a letter of consent or a prescription from another provider to receive care at PPDE.
In addition to GAHT we provide comprehensive sexual and reproductive health care services including STI screening and treatment, HIV testing, Post-Exposure Prophylaxis (PEP) and Pre-Exposure Prophylaxis (PrEP), contraception, breast/chest health services, cervical cancer screening, colposcopy, evaluation and treatment of gynecological and genitourinary concerns, abortion services, miscarriage management, prenatal care, HPV vaccinations, and more.
Location/Contact: Newark, Wilmington, and Dover, 302-731-7801

Maryland Kognito
Maryland Supporting Student Mental Health Program
Type of Resource: educator training
Kognito offers research-proven training simulations designed to prepare educators, staff, students, physicians, and caregivers to: (1) recognize when someone is exhibiting signs of psychological distress or underlying trauma and (2) manage a conversation with the goal of connecting them with the appropriate support. In these online courses, users engage in practice conversations with virtual humans. With the help of a virtual coach, users learn effective methods for engaging in difficult conversations, including applying motivational interviewing skills, asking open-ended questions, and avoiding common pitfalls.
Location/Contact: For information, visit https://md.kognito.com/
